# Curriculum Vitae

Nom et Prénom : AMMAR Emna Date de naissance : 25 Mai 1956 à Sfax

**Profession :** Enseignant chercheur à l'Ecole Nationale d'Ingénieurs de Sfax

Grade: Professeur en microbiologie

Adresse: Ecole Nationale d'Ingénieurs de Sfax, B.P. 1173, 3038 Sfax (Tunisie)

**Tél.**: 74 274 088 ; **Télécopie**: 74 275 595 ; **Portable**: 98 412 364

E-mail: ammarenis@yahoo.fr

### SITUATION ACTUELLE

- Professeur au Département de Génie Biologique, effectuant mes travaux de recherche au Laboratoire de Recherche des Sciences de l'Environnement (LARSEN) de l'École Nationale d'Ingénieurs de Sfax.

- Membre de l'Unité de recherche : Etude et Gestion des Environnements Urbains et Côtiers.

### **DIPLOMES**

1. Habilitation universitaire à la recherche scientifique, en Sciences Biologiques et Biotechnologiques, Institut Supérieur de Biotechnologie de Monastir - Université du Centre, octobre 2004.

<u>Titre</u>: Traitement et recyclage des eaux usées urbaines – Valorisation de sous-produits des industries agroalimentaires.

2. Thèse de Docteur-Ingénieur de Microbiologie, Génie Enzymatique et Bioconversion,

Université de Technologie de Compiègne, France, décembre 1983.

<u>Titre de la thèse</u>: Contribution à l'étude de la biodégradation des liqueurs noires et de ses molécules modèles par les bactéries.

Directeur de Thèse: Professeur Jean Michel Lebeault.

3. DEA de Microbiologie, Génie Enzymatique et Bioconversion,

Université de Technologie de Compiègne, Septembre 1981.

<u>Mémoire de D.E.A.</u>: Sélection de souches bactériennes ligninolytiques pour une valorisation des liqueurs noires.

Responsables: Professeurs Alain Deschamps et Jean Michel Lebeault.

4. Diplôme d'Ingénieur en Génie Biologique (Filière longue : Bac + 6),

Faculté des Sciences et Techniques de Sfax, dernière année d'études à l'Université de Technologie de Compiègne(France), juin 1981.

<u>Intitulé du sujet</u>: Biodégradation de la lignine par les bactéries.

5. Maîtrise Es Sciences de la Vie,

Faculté des Sciences et Techniques de Sfax, Juin 1979.

6. Diplôme Universitaire des Etudes Scientifiques en Chimie-Biologie,

Faculté des Sciences et Techniques de Sfax, 1977.

7. Baccalauréat Sciences, juin 1975.

### **POSTES OCCUPES**

- Novembre 1983 avril 1987 : Assistante au Centre de Biotechnologie de Sfax (CBS).
- Juin 1987: Passage au grade maître-assistant, CBS.
- De 1987 à 2005 : Maître-assistant à l'Ecole Nationale d'Ingénieurs de Sfax (ENIS) au Département Génie Biologique et menant mes activités de recherche au Laboratoire de Recherche des Sciences de l'Environnement (LARSEN).
- **De 2005 à 2015 :** Evaluateur (accréditation des laboratoires) au Conseil National d'Accréditation (TUNAC).
- De 2005 à 2010 : Maître de conférences à l'ENIS.
- **Depuis 2010 :** Professeur à l'ENIS
- Mars-juin 2018 : Professeur à l'université Val-d'Essonne, France

### FORMATIONS DANS LE DOMAINE DE LA QUALITE

- -Avril 1995 : Stage sur "La mise en place des systèmes d'assurance qualité et de l'audit dans les laboratoires selon les normes EN 45001 et 45002, organisé par l'Institut National de la Normalisation et de la Propriété Industrielle et l'Institut anglais : Quality Management International Durée : une semaine.
- **-Mars-avril 2000 :** Participation à la formation international sur "ISO 14000-Environmental Management Systems, organisé par l'Institut Suédois de Normalisation (SIS), Stockholm, durée : un mois.
- **-Janvier 2001**: Participation au cours d'hygiène alimentaire "Mise en place d'un système HACCP", organisé par l'Association Africaine d'Hygiène et de microbiologie Alimentaire, Sousse, durée : 4 jours.
- **Septembre-octobre 2003 :** Stage sur l'enseignement à distance et le développement de small business dans le cadre "Fostering Provate Sector Development in Tunisia: Faculty Development Grant and Exchange Program/US Department of State", à l'Université de Lock Haven de Pennsylvanie (USA), durée 6 semaines; Formation sur le leadership incluse.
- -Mai 2005 : Participation à la formation d'évaluateurs de laboratoires sélectionnés pour être des auditeurs nationaux de laboratoires à accréditer selon ISO/ICE 17025, organisé par le Conseil National d'Accréditation : le TUNAC, Tunis ; durée : une semaine.

**Septembre 2005 :** Participation à la formation sur la validation des méthodes et le calcul d'incertitudes, organisé par le TUNAC et le Programme de Modernisation des industries (PMI), Tunis ; durée : une semaine.

**Février 2006 :** Participation au cycle de formation pédagogique sur le thème « La gestion des conflits avec les étudiants – La communication interprofessionnelle entre étudiants et professeurs dans l'enseignement supérieur », organisé par l'Université de Sfax, Sfax, durée : trois jours (13-15 Février).

**Février 2006 :** Participation au cycle de formation pédagogique sur le thème « La qualité de l'enseignement et de la recherche et son évaluation dans l'enseignement supérieur », organisé par l'Université de Sfax, Sfax, durée : trois jours (20-22 Février).

**Juin 2006 :** Participation à l'Ecole de Formation sur « L'accréditation », organisée par l'Université de Sfax, Sfax, durée : trois jours.

Participation à l'évaluation de laboratoires selon la norme ISO 17025.

### **BREVETS**

**Brevet n° 17746 :** Valorisation agronomique par compostage de mélanges de tourteaux d'olives épuisés, de fientes de volailles et d'effluents d'huileries (margines) — Application pour l'amendement des sols agricoles.

N° de dépôt : SN 000002040, Mars 2002 ;

**Brevet n° 17761 :** Valorisation agronomique par compostage de mélanges de tourteaux d'olives épuisés, de fientes de volailles et de sous-produits de confiseries (Fabrication Halwa Chamia et bonbons) – Application pour l'amendement de sols agricoles.

N° de dépôt : SN 000002056, Juin 2002

**MA 20150445 A1**, apparu le 30/11/215, sous le numéro 36952 intitulé : « Gestion et valorisation des margines par co compostage avec les déchets verts et amendements des sols agricoles pour l'amélioration des rendements ».

"Procédé de traitement biologique de la verticilliose de l'olivier par formulation d'un biofongicide à base des sous-produits agricoles compostés." a été déposé à l'INNORPI, le 23/08/2022 sous le n° TN 2022/0246
